Hi Shannon,

Please see if you can download from the Dropbox link below:

According to Annabelle, this was from a neighbor but she doesn't know who. I'm trying to figure out with them which neighbor this video is from. I will let you know as soon as I know more.

Best,  
Hang

Hang,

Plaintiff's 00345 is identified as a video. However, the file we sent is a black screen with only audio. Is there supposed to be a video image? If so can you please resend to us as what we were provided has no video.

Also what is the source of this audio/video?
